

# REPLACEMENT TUBE WEBBING LOOP

**Please follow your Tube Instruction sheet in conjunction with this and ensure the following is done:**

**NOTE: The replacement process can be completed whilst the tent/awning is pitched**

**NOTE: Removal of any zip ties does not cancel your warranty (If applicable)**

**NOTE: You must thread tube end through loop as shown in instructions**

1. Replace and Re-attach new Tube securing it in place through the internal webbing loop

**NOTE: You must thread tube end through loop as shown**

**This will prevent the tube expanding and bursting**

**NOTE: You must thread tube end through loop as shown**

For a full list of compatible AirBeam® tents and awnings please refer to [www.vango.co.uk](http://www.vango.co.uk) or [www.campingspares.co.uk](http://www.campingspares.co.uk).

We make every effort to ensure the accuracy of our information. We do however have a policy of continuous improvement and we therefore reserve the right to change or amend colours and specifications without prior notice. ©AMG Group Ltd.
